CELEBRATING  
20 YEARS  
CAPE  
TOWN

Celebrating Twenty years of HOPE Cape Town at an intimate gathering at The Westin Hotel – an hour of reflection that brought so many memories to the forefront.

Our organisation's success would not have been possible without the help and assistance of so many crossing the path of HOPE Cape Town in the last 20 years. It would not been possible without the current sponsors, supporters, friends and allies.

To all of you, we say THANK YOU!
